- **Mutual fund investing involves risk; principal loss is possible. The Fund invests in small capitalization companies which are often more volatile and less liquid than investments in larger companies.**
- **The Fund's investment objectives, risks, charges, and expenses must be considered carefully before investing. The prospectus contains this and other important information about the Frontegra Funds, and it may be obtained by calling 888-825-2100 and/or at [www.Frontegra.com](http://www.Frontegra.com). Read the prospectus carefully before investing.**
- **Past performance does not guarantee future results. The performance data quoted represents past performance. The principal value of an investment and investment return will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current to the most recent month end performance may be lower or higher than the performance quoted and may be obtained by calling 888-825-2100.**
- *Investment performance reflects contractual fee waivers in effect. In the absence of such waiver, total returns would be reduced.*
- *All performance assumes reinvestment of dividends and capital gains.*
- *The Russell 2000 Value Index is an unmanaged market value-weighted performance benchmark that measures the performance of those Russell 2000 companies with lower price-to-book ratios and lower forecasted growth values. The Russell 2000 Index measures the performance of the 2,000 smallest companies in the Russell 3000 Index. The Russell 3000 Index measures the performance of the 3,000 largest U.S. companies based on total market capitalization. This index does not reflect investment management fees, brokerage commissions and other expenses associated with investing in equity securities. You cannot invest directly in an index.*
- *Lipper Inc. is a nationally recognized organization that reports performance for mutual funds with similar investment objectives. The Lipper Small-Cap Value Index consists of the 30 largest funds in the small-cap value funds classification as determined by Lipper. The index's returns include reinvested dividends.*
- *Holdings are subject to change. The holdings listed should not be considered a recommendation to buy or sell any security listed.*
- *Beta is calculated using time periods versus the relative benchmark.*
